

Make a splash this summer!

CA Pool & CNSL Assistant

One super helpful web app for Columbia pool days and CNSL swim meets: pool hours, team details, meet locations, and timely planning links together in one place!

Spend less time searching and more time swimming!

Always wondering which pool has a slide or beach entry and is open today?

Wishing there were an easier way to find all your swim and pool information in one place? **Look no further!**

Pool, team, and meet info together!

Bring published pool, team, and meet information together in one easy-to-use, phone-friendly guide.

Find today's perfect pool!

Filter for slides or beach entry, then check published hours and current availability.

Get team details fast!

Find published practice information and team details without digging through separate pages.

Know where to be on meet day!

See published matchups, dates, host pools, location links, and meet-operation resources.

Save your favorite pool and team!

Keep your go-to choices handy on this device for quicker planning.

Bring schedules along!

Add the web app to your home screen; loaded information remains handy with limited connectivity.

Sort nearby pools when you choose!

Turn on location awareness to estimate distances and put nearby pools first.

Stay ready for changing plans!

Use weather safety messaging and linked official sources to confirm details quickly.

FREE WEB APP | NO DOWNLOAD REQUIRED

Scan now. Swim sooner!
